Spring/Fall 2018

Dear Teachers:

Camp Christopher, located in Bath Township, is pleased to offer exciting environmental educational programs designed specifically for diocesan, public and charter schools. Our goal is to offer experiential learning opportunities of varying lengths and content in order to serve learners at many ages and stages.

Our program at-a-glance:

Environmental Education is interdisciplinary in nature and correlates with the Diocesan Graded Course of Study and the current Ohio Department of Education standards. The program uses hands-on techniques that challenge students and foster a sense of stewardship for the environment. Camp Christopher offers a rich curriculum exploring topics such as biomes, habitats, cause and effect within ecosystems – and more.

Standards-based course offerings are available for grades K-12.

Camp Christopher is a short trip from Cleveland or Akron, operated by Catholic Charities of Summit County. The facility offers 165-acres of beautiful grounds including lakes, streams, ponds, cliffs and rock formations and thousands of trees for nature study. It also offers trails for hiking, a cave, a natural bridge, and heated cabins with separate shower houses for males and females, a dining hall, high and low ropes challenge courses, recreational facilities and pavilions.

For registration information, please use the Spring/Fall Registration Forms enclosed. We welcome the opportunity to serve your class or school for an outdoor learning experience in nature. For more information, please call (330) 376-2267.

In the Christopher Spirit!

-OVER-

For Spring/Fall 2018 Registration, please see the Spring/Fall Registration Forms enclosed for all available dates and camp options. To reserve a date, return that form along with your deposit. Please note that you may choose from the following options:
