### Remembering Lillian Kastelic

We were saddened to hear about the passing of our friend Lillian Kastelic. Lillian passed away on October 12, at the age of 91.

Lillian, her husband Frank, and their son Joe have been involved with Disability Services for many years. It was Lillian who was instrumental in starting our Walk of Hope 40 years ago! The 3 of them were at every Walk and every Journey to Bethlehem!

Please remember the Kastelic family in your prayers during this time.

### **Vatican conference explores ways to welcome people with disabilities in parish life**

In Rome, an international conference titled "Catechesis and Persons with Disabilities: A Necessary Engagement in the Daily Pastoral Life of the Church" was held October 20-22. The goal of the conference was to demonstrate that those with disabilities are as much a part of the Church as those without disabilities.

You can read a wonderful [article here](#) about the conference and our friends Jan & Martin Benton, from the National Catholic Partnership on Disability ([NCPD](#)), who attended the conference. You can see their pictures from Rome on their [Facebook](#) page.

Click below to read and listen to Pope Francis' remarks at the conference in which he urges us not just to catechize persons with disabilities but to recognize their ministerial talents to be the catechist of others.

## Successful 40th Annual Walk of Hope

Thank you for your support and for celebrating with us our **40<sup>th</sup> Annual Walk of Hope** on October 7, 2017.

The weather was perfect, as it was most of October! It was quite possibly the warmest we have had for a Walk yet! It was wonderful to see so many people

come down to St. Augustine Church in support of persons with disabilities. Whether you joined us and walked, made a donation or just prayed for a successful day, your support was truly appreciated and contributed to a very successful day!

We were able to raise over \$8,000, which will benefit the ministries and programs for persons with disabilities, their loved ones and their supporters.

Check out pictures from the Walk on our [Facebook page](#).

## Saturday Program Updates!

The Continuing Adult Education & Social Program - otherwise known as the Saturday Program began on September 16.

We have been meeting at St. Augustine Towers in the Detroit/Shoreway neighborhood to start off the year. One afternoon, everyone decided they wanted to check out the offices of Disability Services, which are right across the street... here they all are piled in to Dennis McNulty's office!

Each Saturday, adults with cognitive disabilities, ages 18 and over, spend their time in the morning talking and sharing about the past week, and then attend classes in math, reading and customs/traditions. After lunch they go to the library, create fun art projects, have holiday parties, exercise, invite speakers to share with them and much more!

Other Saturdays we spend out in the community on field trips to local museums or restaurants or doing fun activities!

If this sounds like something you may be interested in, please get in touch with [Marilyn Scott](#) to find out more. New participants are required to meet with us first to spend a couple hours at the program. This helps determine if the program is appropriate and if the participant wants to attend.

Cost is \$88/month or \$792 plus a one-time fee of \$60/year. The Saturday program is Waiver Certified.

**Sincerely,**
